Rainbow Six Siege is constantly growing and so is the team behind it. If you have a keen eye for details and great communications skills, apply and help us deliver a high quality gaming experience for our players as QA Tester (f/m/d).

This positon will be located at Ubisoft Mainz (Germany).

Your tasks:

- Perform daily tests and responsibility for quality and stability of new game content, new features and upcoming releases
- Working alongside developers, artists and designers to perform specific tests
- Report and monitor software errors (bugs) and game design problems in a bug database
- Verify fixes applied by developers (bug regression)
- Provide feedback on features in development
- Test on multiple platforms (PC, PS4, Xbox One)
- Perform periodical validation tests and write validation reports in order to assess the quality and completeness level of the new content
- Ensure that the tested software meets first party certification criteria as part of master certifications (verify final software version)
- Good communication skills
- Analytical and critical approach
- Ability to describe complex interrelations in writing
- Proficient in handling bug tracking databases (JIRA or similar)
- Good team player
- Fluent in English (oral and written)
- At least one year experience in Game Testing
- Experience in multi-platform game development is a plus
- Experience in AAA game development is a plus

Your benefits:

- Flexible working hours
- External training, education in our in-house guilds and knowledge sharing with other teams
- Fresh fruits, discounted gym membership, corporate benefits and support for child care
- Free bike rental or lease your own bike
- Working in an innovative and international company

We offer a highly interesting challenge for a team player including the possibility to show personal initiative. If you are passionate about video games and would like to work with likeminded professionals in an international team, please apply via our career portal. The application should include your resume, a cover letter including your earliest starting date, your salary expectations and why you would like to join us.
