As a Software Developer on the Enterprise Infrastructure Solutions Team you will help us design and deploy technical solutions that support the activities of Ubisoft employees worldwide within an advanced IT environment.

Continuous improvement and extensive functions and features will be part of your work in parallel to leverage technology and data for new features and use-cases. If your skills allow you to identify, analyze and implement possible solutions, then you are in the right place. You can expect a highly collaborative environment where knowledge is freely shared, and help is always available.

What you will do:

- Design, develop and establish advanced IT environment
- Analyze the needs and develop solutions in coordination with your internal customers
- Develop tools and services to automate and increase efficiency
- Identify risks and opportunities presented during the development and provide solutions to resolve potentially complex problems
- Provide feedback for peers and team process to facilitate continuous improvement

What you bring:

Training and relevant experience

- Master, Bachelor, Fachinformatiker or equivalent degree in Software development
- C# core skills and experience

Knowledge and skills required

- Proficiency in designing, coding, debugging, refactoring, profiling, and optimizing new and existing systems with excellent problem-solving skills
- Managing APIs
- Experience in collaboration with DevOps

- Experience with Source Control Management, preferably GIT
- Good communication skills
- Sense of humor, positive approach, a generous spirit, a desire to learn and grow, and a team-focus
- Ability to complete duties on time whilst maintaining a high-quality service
- Enthusiasm in learning and using new technologies
- Good attention to details
- Fluent in English

Nice to have

- Experience with Frontend Programming
- IT Infrastructure Knowledge
- Experience in Data Management

What to send our way:

- Your CV, highlighting your education, experience and skills
- A cover letter including your earliest starting date, expected salary and why you would like to join us

Your benefits:

- Relocation Support: We offer financial support in form of a cash allowance and assistance with accommodation search and settle-in support via our relocation partner, for international candidates we offer visa assistance.
- 26 days paid vacation per year. Additionally, you will get half a day off on Christmas Eve and New Year's Eve and approximately 11 bank holidays in the Mainz region.
- Flexible Working Hours: We have core working times between 10:00 AM – 04:00 PM and the distribution of the other hours is up to you.
- Opportunities for growth on your desired career path: Leadership training, workshops, guest speakers from the industry, online Ubisoft learning platform, coaches, Experts and library.
- Company Pension Scheme. We offer an attractive scheme through salary sacrificing in which the employer also matches contributions
- Up to 350€ childcare support per child per month. In addition, we also offer 5 'care for ill children days' per child per year.
- Discounted Games. We regularly order Ubisoft Games for super cheap prices for our employees.
- Gym Subsidy. We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice.
- Monthly Mobility Budget. 80€ per month that can be used on bicycle lease, parking spot rental or public transportation ticket.
- Our Ubisoft Blue Byte Academy offers multiple opportunities for you to discover your full potential and develop yourself in various areas.
- English and German classes for free. Main language in the studio is English.
- Free fresh Fruit, Coffee, Tea and Water. Enjoy fresh fruit and beverages in our office.
