Join our team as QA Engineer, where you will play a pivotal role in ensuring the highest quality standards for our game security projects. You will collaborate with an agile team of dedicated software developers to enhance our QA processes and deliver exceptional gaming experiences.

What You Will Do:

- Collaborate with an agile team to establish and maintain an efficient QA workflow.
- Design, implement & maintain automated tests for new software features, ensuring robust functionality.
- Set up and maintain CI/CD pipelines to streamline our development & deployment processes.
- Optimize the quality assurance process and key performance indicators (KPIs).
- Take ownership of the quality and stability of new features and releases.
- Serve as the subject matter expert for QA, providing guidance and knowledge to your team and project stakeholders.

What You Bring:

- A Bachelor's or Master's degree in Computer Science, Engineering, or a related field.
- 3+ years of experience in software QA or release engineering.
- Proven expertise in designing, setting up, and automating complex integration test cases.
- Strong proficiency in Python; knowledge of C++ is a plus.
- Experience with CI/CD tools such as GitLab, GitFlow, Jenkins, or similar.
- Experience working in international teams is advantageous.
- Excellent English communication skills; our studio language is English.
- A high degree of self-motivation and initiative, with the ability to anticipate project needs and collaboratively solve technical challenges.

What to Send Our Way:

- Your CV, detailing your education, experience, and skills.
- A cover letter that includes your earliest starting date, expected salary, and your motivation for joining us.

What we offer:

- Relocation support: We offer financial support in form of a cash allowance and assistance with accommodation search and settle-in support via our relocation partner, for international candidates we offer visa assistance
- Ubisoft Blue Byte Academy: We offer multiple opportunities for you to discover your full potential and develop yourself in various areas. Guest speakers from the industry, workshops, and access to our training and development platform as well as to our in-house library
